2019 CONVENTION / EXHIBITOR ELECTRICAL SERVICES

Rates listed include one power cord/power strip to your table (if a table is ordered) in your assigned area. If a table is not ordered, it will be set in the back of your assigned area. Additional labor and material charges will be incurred for connecting equipment, installation, and removal of lights, hard wiring, disconnecting special power, overhead drops, and locations outside the exhibit area as well as any additional service/labor which is requested or required. All pricing is per event.

Please type or print information.
