

- Vehicles are defined as an automobile, trailer, tractor, crane, etc. arriving at the exhibit hall that can be driven to the booth location under its own power. Exhibitors may drive their vehicles in and out of the exhibit areas or have TEG supply an operator when available.
- Mobile units are defined as a piece of equipment that can be pushed or towed to the booth on wheels.
- The facility requires Exhibitors or their agents with vehicles or motorized equipment to have guidance and supervision in and out of exhibit areas. This supervision is required and provided by The Expo Group to prevent damage that may occur to exhibits, or property of others. When necessary, The Expo Group will also move shipping containers that may be in the aisles.
