

Gaylord Palms Resort & Convention Center - Halls E & F
January 30-February 1, 2025

- To further assist you, The Expo Group offers Cart Service for Personally Operated Vehicles (POVs) only. A POV is defined as a passenger car, pickup truck, or van. Flatbeds 15' or longer, U-Haul's, or other box trucks and vans are not considered POVs, and will be subject to standard material handling rates.
- Should you have more exhibit materials than you can individually hand-carry, we can deliver your boxes, loose display materials, etc., to your booth space via flat cart. The Cart Service is offered to help you save time, money, and hassle by delivering your equipment in one or more trips in a timely manner. A one-way "cart load" is defined as the maximum amount of loose or boxed exhibit material equal to or less than 150lbs., that will fit on a four-wheeled manually operated or electric flat cart, which has approximate flat-bed dimensions of 3'wide x 6'long or more.
- Cart Service will only be available during move in and move out. Cart Service rates are available one-way or roundtrip.
